2024 Christmas Hampers Terms & Conditions

Customers must spend a minimum of £4,000 net before vat during the months of October and November inclusively.

Cash sales are included in this promotion and can also be added to credit sales as long as they are easily identifiable and can be linked to the account customer. If a customer reference has not been used then Duftons will accept a customer's copy of cash sales as proof of purchase.

Any goods returned in December relating to November purchases will be deducted from the customers overall final amount.

Hampers are limited to one per customer regardless of the total amount spent.

Customers with credit facilities must settle their October account in full prior to hampers being delivered.
